iShares® Funds are managed by BlackRock Asset Management Canada Limited. Commissions, management fees and expenses all may be associated with investing in iShares Funds. Please read the relevant prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or operational charges or income taxes payable by any securityholder that would have reduced returns. The funds are not guaranteed, their values change frequently and past performance may not be repeated. Tax, investment and all other decisions should be made, as appropriate, only with guidance from a qualified professional.

This information is provided as of 12/15/2016.

The information published have been provided for informational purposes only and are subject to future revision. Calculations are based on the respective fund's total income, expenses, and distributions (collectively "Activity") on a year-to-date basis (as of the foregoing date) only.

For any fund, the tax characterization of a distribution paid in any particular period is affected by the aggregate Activity of that fund for the corresponding full tax year. The characterization for any given period is not based on the Activity for that period alone. These characterizations are therefore subject to change as a result of Activity that occurs after the computation of these estimates and prior to the applicable fund's tax year end. By using this information, you are hereby acknowledging the inherent risks and limitations of this information. The final and official characterizations of each fund's full year distributions are published by BlackRock Asset Management Canada Limited to CDS Clearing and Depository Services Inc. early in the following year, generally in February.
